

THE KELLY LARGE AGRICULTURAL RADIONIC ANALYZER

This three-bank subtle energy powerhouse includes everything needed for the daily management of agricultural assets, including crops, water, feed, seed, herds and other livestock.

Standard: Beautiful **hand rubbed oak** cabinet.

Standard: Cutting-edge **silver sephorah** geomantic signal multiplier increases effectiveness in the face of fluctuating/fading global magnetic fields.

- **Standard:** Large parallel plate capacitors generate **analog scalar wavelengths** as accurate as the sensitivity of the operator with no lost harmonics.
- **Standard:** Make your own liquid and solid potencies with the integrated **Radionic Potentizer**.
- **Standard:** 10X intensity dial delivers **Exceptional precision detection**.
- **Standard:** Built-in 10 Hour Timer **eliminates danger** of over broadcasting.
- **Standard:** Deliver pulsed or continuous **ELF frequencies** at 7.8 Hz, 8.0 Hz, 9.0 Hz or 10.0 Hz with the flip of a switch, or add an external signal generator using the shielded BNC input port.
- **Standard:** **Detect and/or monitor** the creation of scalar fields using the Ø Field Detector.
- **Standard:** Clear the analyzer of residual scalar and other waveforms with the integrated **magnetic clearing circuit**.
- **Standard:** Add the power of a Phase Array Antenna to the internal moebius coil rub plate through the **auxiliary input** connectors.

THE KELLY LARGE AGRICULTURAL RADIONIC ANALYZER.....\$4,000.00

Upgrade: Realize the benefits of increased information density in **every** analysis and broadcast with a factory-installed **Phase Array Antenna** built right into the Analyzer in place of the coil rub plate! An *additional* Phase Array of equal or 2x phases may be added later using the auxiliary input connectors:

Integrated Phase Array	Parallel Plates	Phase Array Price	Use with External Phase Array Antenna	
32 Phase	4	\$375	32 Phase (4 plate)	64 Phase (8 plate)
40 Phase	5	\$440	40 Phase (5 plate)	80 Phase (10 plate)
48 Phase	6	\$530	48 Phase (6 plate)	96 Phase (12 plate)

Upgrade: Personalize your Large Analyzer with a custom laminate color finish for just **\$199.00!**
